Supervisor Training Program (STP) Unit 2 Participants Manual: Communication (AGC's Supervisory Training Program)

Synopsis

The AGC Supervisory Training Program (STP) is designed to meet the specific needs of the early-career construction supervisor. Unit 2: Oral and Written Communication, 5th Edition, describes the value of effective supervision of workers to improve the supervisor's ability to be effective communicators on their jobsite. Unit 2 covers: effective communication, learn to listen, persuasion, negotiation and confrontation, planning meetings that work, and much more. This Participant's Manual, designed as a workbook for students to follow along with the course and use as a reference guide, leads participants through course discussions and activities. Learn more about the entire program at www.agc.org/STP AGC of America is the leading association for the construction industry. With over 26,000 member firms, AGC provides a full range of services satisfying the needs and concerns of its members, thereby improving the quality of construction and protecting the public interest.
