This is a good little book. Not really extensive in its descriptions and cures but it is well worth having around to check for what and how to use Tea Tree Oil. TEA TREE OIL has to be one of the most beneficial Oils around. It not only cures us of many ailments but it also prevents many ailments and diseases. It also is one of the Best insect repellents that is all Natural and basically non-toxic.

Pretty good tips on tea tree oil, I'd like to try them all to find the best for myself.
