I hope you enjoy reading this book as much as I did."Â -- Rex Black, Best-selling Author, Speaker"There are many books about topics and disciplines in Information Technology. But most books concentrate on a single area. This book is an exception - it looks at three disciplines and ties them together. Excellent idea. Congratulations to Koray for putting this book together, and also for his generosity in donating profits to schools."Â -- Dorothy Graham, Best-selling Author, SpeakerÂ "In his book Koray uses two phrases again and again.
