The Marijuana Cookbook For Cancer Patients

Synopsis

44 delicious and easy-to-prepare dishes designed to stimulate appetite, reduce nausea and elevate spirits of cancer patients and their caregivers! Chemotherapy and radiation treatments often have a deadening effect on taste buds. I created these recipes in an effort to "wake up" my partner Dave's chemotherapy-numbed sense of taste. They worked for Dave and maybe they will work for you, too. I hope so. Cancer patients need to eat.
