The Last Drop: The Politics Of Water

Synopsis

The one indispensable resource, water is increasingly controlled and even owned by private capital. By 2012, water was a trillion-dollar industryâ and as population growth, industrial production, and ecological change make scarcity ever-more common, water may well become the source of military and political conflict in the years to come. Â This book looks at how we got here and what we can and should do next. Laying out the complex arguments surrounding water, its ownership and access to it, Mike Gonzalez and Marianella Yanes make the technical and scientific aspects of the discussion clear and accessibleâ and thereby enable themselves to make the political questions more urgent. Pushing back against the market fundamentalists, the authors argue that it is both possible and necessary that considerations of equity and social justice prevail in the debates about water. Powerful and polemical, The Last Drop will be a vital resource for water activists worldwide.

Book Information

Paperback: 224 pages

Publisher: Pluto Press (October 15, 2015)

Language: English

ISBN-10: 0745334911

ISBN-13: 978-0745334912

Product Dimensions: 5.3 x 0.5 x 8.5 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)
